

A Note from Lenda

We are into October! This is my favorite time of year, even though I'm not crazy about what comes after it. According to the Farmer's Almanac and the amount of black woolly worms I'm seeing on the highway on my way to work, it's not going to be the mild winter to which we've become accustomed. I really hope those woolly worms are wrong! We have a couple of country drives scheduled for October. It will be nice to see how harvest is coming along and to see the beautiful colors of the trees. Also, on October 31st from 6:00pm - 8:00p.m., The Glenwood will be hosting Safe Trick or Treating. It'll be more "treat" than "trick," so bring your little ones by to show off their costumes and get a treat from our residents, who will be in the dining room to greet them. Before you leave, sign up for our door prize drawing! Next month, we will be full into the holiday season, and I will have more to report on that. Have a blessed October!

Employee of the Month - Renee Askew

Tell us about yourself: I was born at Camp Lejeune Naval Base in North Carolina and was raised in Macon. I currently live in Decatur, IL. I will soon be getting married to my partner of five years. I have nine step-children, 14 step-grandchildren, one dog, Maxx, who is 14 years old, and one cat, Sabastian, who is 22 years old. I adopted Sabastian from past residents, Bob and Rosetta Henderson. I spend as much time as I can with my dad because I realized last November when I lost my mother that life is too short. Work is also my past-time as I have three different jobs.

How long have you worked at The Glenwood: In January, I will have been at The Glenwood for four years. I have worked in healthcare since I was a sophomore in high school and became a Certified Nursing Assistant in 1992. I earned my Food Safety Manager certification in 2018.

What are your hobbies: I enjoy shooting pool and raising awareness and money for the Relay for Life and the American Cancer Society.

What do you like most about working at The Glenwood: I enjoy my residents and the lasting friendships that have formed.
