

A Note from Lenda

What in the world happened to fall? I don't know about you, but I like to ease into winter (or skip it all together) instead of having it thrust upon me! I do remember, several years ago when my kids were small, we had gone uptown to the Halloween parade. It started out as a light mist, then a little drizzle, and by the time we went home, the streets and sidewalks were so slick you couldn't stand up. Welcome to Illinois!! I am hoping for continued good weather as we have a lot planned in the next couple of months. Our Family Thanksgiving Dinner is Saturday November 17, with servings at 11:00 a.m. and 12:30 p.m. You will be receiving your invitation soon, if you haven't already. The cost is \$10 for guests. For that post holiday let down, we are making plans for a chili supper in January! More to follow on that. Of course, you know that you don't have to wait for a special event to visit The Glenwood. We love seeing our families and welcome your visits anytime. Stay warm, and we look forward to seeing all of you on the 17th!

Residents of the Month

Dennis Burleyson

Tell us about yourself: I was married for 55 years and have four children, Julie, Sheri, Rebecca, and Randy. I am from Salem, IL, and am a retired military man. I enjoyed traveling with family and spending 20 years with my wife wintering in Texas.

What are your hobbies: Some of my hobbies include wood carving, wood burning, and wood coloring. I also enjoy putting puzzles together.

What do you like most about living at The Glenwood: My favorite thing about The Glenwood is the friendly workers and their willingness to take care of the residents.

Caroline Eisele

Tell us about yourself: I have four children, Larry, Carol, Linda, and Michael, and one very special grand dog, Roxie, who many of the staff and residents know. I was born and raised in Pana, IL. My sweetheart and I eloped to Oceola, AR, in 1951. We were married for 59 years until he passed in 2010. After marrying, we lived in the Chicago area and northern Illinois for a couple of years until my husband was drafted into the service. I then moved back to Pana to be near my family, where we lived and raised our children. In 1980, we moved to Moweaqua, IL, where I lived until moving to The Glenwood.

What are your hobbies: I mostly enjoy spoiling Roxie and doing crosswords. I used to crochet a lot of afghans but never had any for myself. Someone would always come along that just “loved” them, so I would give them away.

What do you like most about living at The Glenwood: I don’t have to cook! Everyone here is so kind, both residents and staff. It’s a nice, cozy place; the next best thing to being at home.
