

A Note from Alyssa

Happy New Year! Let's mark the beginning of a new journey into another year - full of possibilities and opportunities to evaluate your past goals and either recommit or create some new goals! Here are the five achievable New Year Resolutions for Seniors: 1. Laugh more. 2. Move more. 3. Make healthier food choices. 4. Drink less alcohol. 5. Be your own cheerleader.

Employee of the Month - Alyssa Miller

Tell us about yourself: I have been married to my best friend and husband, George, for two years. We have two mastiff dogs, Duke and Bagheera, and two children, Kiley (13) and Kaden (12).

What are your hobbies: I enjoy traveling, taking vacation, going on wine trails, spending time with my family and friends, and learning new traits from my husband, such as laying hardwood floors and building decks, night stands, coffee tables, and more.

What is an interesting fact about you or a family member: My husband and I foster dogs for a rescue out of St. Louis. Our first foster was a foster fail, which means we adopted our foster. Also, my older sister & brother-in-law own their own "Mom & Pop" meat processing shop.

What do you like most about working at The Glenwood: I love my job, the residents, and the staff at The Glenwood. Most of them are like family to me since I have been here for 10 years in February. I love that The Glenwood is like a second family to me, and it gives me the opportunity to work and give back to the Greenville community.

Tell us about yourself: I was born six miles north of The Glenwood. My dad worked for the railroad, and I went to the country school. Sometimes, my dad took us to school with his railcar, but when he didn't we walked one mile each way. I was married for 56 years, until my husband passed in 1997. I have three boys and two girls.

What are your hobbies: I enjoy sewing, and I made Barbie clothes when the children were younger. I also love to watch the St. Louis Cardinals.

What was your former occupation: I worked at the hospital for 18 years in dietary. I also worked a can shop and made tin cans during the war.

What is an interesting fact about you or a family member: We were a togetherness family and did everything together as a family. We traveled all over the United States.

What do you like most about living at The Glenwood: I love being able to do my own thing. The staff is what makes it. I am happy here.

"And now, let us believe in a long year that is given to us, new, untouched, full of things that have never been."

- Rainer Maria Rilke
