What are your hobbies: I enjoy riding horses.

Do you have any stories you would like to share: One day, I was backing the car up, and my husband fell close to the car but was hardly injured.

He went to the doctor and told him I hit him with the car. The doctor

Dolores Wolf

Tell us about yourself: I was married to Lester Wolf for 47 years before he passed. I have no children or grandchildren, but I took care of my niece, Jennifer. However, I call her my grandchild. She has two daughters who are 20 and 14 years old. My nickname is Dorie.

What are your hobbies: I used to love bowling and golf and had many trophies from both sports.

Do you have any stories you would like to share: I am the last living nurse who was employed by the hospital when the fire took place. My husband had taken me to Niagara Falls on our Honeymoon or I would have been working. We turned the car around as soon as we heard about the fire on the radio.
